COMMERCIAL VEHICLES

We are the exclusive distributor for Scania in Dubai and the Northern Emirates, offering both a range of Scania Trucks and luxury Scania Touring Buses.

Awarded 'Distributor of the Year' at the Truck and Fleet annual awards show for our offering and superior after sales support.

MACHINERY EQUIPMENT

Al Shirawi Enterprises Machinery Equipment Division includes:

- CASE CE
- CASE IH
- Piquersa
- Madvac
- PilotCar
- Tana

Our machinery equipment division offers products across multiple industries from construction & infrastructure to waste management & environmental cleaning solutions.

INDUSTRIAL EQUIPMENT

Our Industrial Equipment Division offers a range of STILL Material Handling Solutions, as well as state-of-the-art BOGE air compressors.

The division provides the optimum Electric, LPG, and diesel material handling solutions for every operation across manufacturing plants, warehouses, cold storage and more.

The department was also awarded 'Project of the Year' globally by STILL for supplying over 30 units for special use in a cold storage vaccine facility.

POWER GENERATION

Al Shirawi Enterprises Power Generation Division are the sole distributors for Kirloskar Generating Sets and Scania Power Solutions in Dubai.

Scania engine provide power solutions for both marine and industrial equipment.

Kirloskar provide open and closed generators in a range of power outputs to meet your requirements wherever you need power.

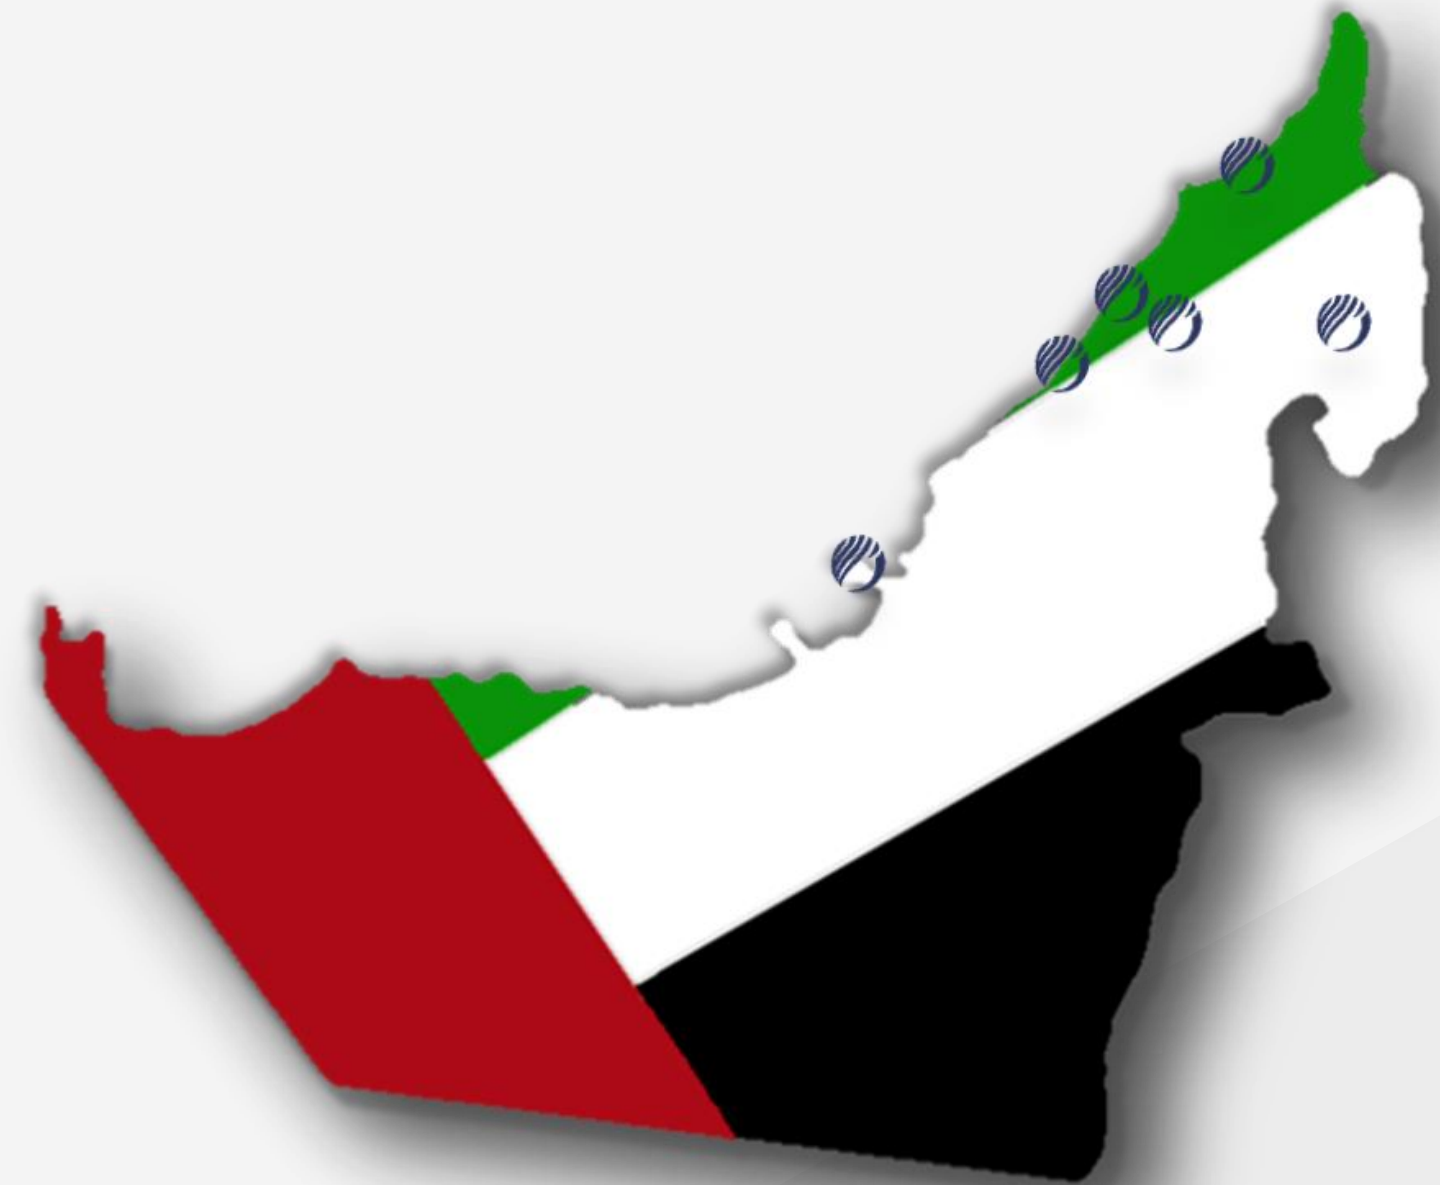

AFTER SALES

We have after sales service centres across key locations in the UAE including:

- Dubai - Al Quoz
- Dubai - DIP
- Abu Dhabi
- Sharjah
- Ras Al Khaimah

We also offer on-site repairs through our 24/7 support and breakdown vehicles to get your commercial vehicles and equipment operational as quick as possible.

SPARE PARTS

We provide genuine spare parts for multiple brands across the UAE through our centralized warehouses in Dubai, Abu Dhabi, Sharjah and Ras Al Khaimah.

We believe in the importance of genuine reliable parts and solutions to ensure maximum uptime and the highest productivity from your equipment. Supporting your repairs and planned maintenance across the UAE.

BODYSHOP

Al Shirawi Enterprises have a dedicated bodyshop located in DIP for a whole host of bodywork requirements.

With highly trained and qualified team of experts, catering to each customers unique requirements.

Our workshop is fully equipped with state-of-the-art equipment ensuring high quality repairs and modifications.

We are specialised in accident and collision repairs for all types of Commercial Vehicles and Equipment.

TURBOCHARGER WORKSHOP

Al Shirawi Enterprises have a dedicated Garrett Turbocharger workshop located in Al Quoz.

With highly trained and qualified team of experts, catering to each customers unique requirements.

Our workshop is fully equipped with state-of-the-art equipment ensuring high quality repairs and modifications.

CUSTOMER TOUCHPOINT MANAGEMENT CENTER

Al Shirawi Enterprises has a Customer Touchpoint Management Center to monitor closely the Customer experience in every transaction and also let the Customer Voice percolate deep into the Company to the process team members to identify areas of correction, corrective action and preventive action.

TRAINING

Al Shirawi Enterprises offer a wide range of training to support your operations and ensure maximum uptime is achieved.

By ensuring your operators are knowledgeable and familiar with all aspects of your new commercial vehicles and equipment guarantees lower operational errors and increases your productivity.

THANK YOU

We look forward to working with you
